

PROFESSIONAL SUMMARY

Motivated and creative aspiring Web/Mobile and Graphic Designer with a passion for blending intuitive, visually engaging and functionality in digital design. Skilled in visual design tools, UX/UI principles, and front-end development to create clean, responsive, and user-friendly websites.

DESIGN EXPERIENCE

Lead Designer & UX/UI Designer Aug 14 – Dec 5, 2025

Tandem

- Led full mobile app design cycle: research, ideation, UX/UI, and user testing
- Partnered with developers, supported front-end code, and drove social media marketing

UX/UI Designer & Video Producer Feb 11 – May 16, 2025

SporkShare

- Executed full UX/UI design process from research to prototyping
- Created promotional videos to drive app adoption, employing strong teamwork and communication to gather and implement feedback

Lead Designer & UX/UI Designer Jun 4, 2025 – Aug 2, 2025

NeXfer

- Independently designed new app in Figma from concept to hi-fi prototype
- Delivered production-ready UX/UI for an app currently preparing for launch

PROFESSIONAL EXPERIENCE

Freelance Digital Artist Nov 2, 2024 – Present

Self-employed

- Created custom digital illustrations from client reference photos, producing diverse artwork styles such as full-figure portraits, headshots, and stylized designs while managing pricing, timelines, and final delivery.

Graphic Web Designer & Social Media Marketing April 1 – May 30, 2026

Atelier Élan Marketing Agency - Internship

- Designed and developed websites for Santal on Film and Atelier Élan Marketing using WordPress and Squarespace, including UX improvements, layouts, and custom features.
- Created Figma mood boards, branding assets, social media posts, and marketing content.
- Researched solutions, managed multiple projects, and collaborated with teams in an agency environment.
